The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**AS-NEEDED VEHICLE AND EQUIPMENT REPAIR AND
TOWING SERVICES PROGRAM
ALL SUPERVISORIAL DISTRICTS
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the enclosed Master Agreement (Enclosure A) for a variety of as-needed vehicle and equipment repair and towing services with various contractors, effective January 1, 2007, for a contract period of one year with two 1-year options, not to exceed a total contract period of three years.
2. Approve the enclosed list of 76 contractors and their hourly rates (Enclosures B and C).
3. Authorize Public Works to encumber \$1,500,000, representing the combined maximum annual cost for these services. Funds are available in Public Works' 2006-07 Internal Service Fund.
4. Delegate authority to the Director of Public Works to execute each individual contract under this Master Agreement with each contractor listed; to renew each contract for each additional renewal option, if, in the opinion of the Director, renewal is warranted, for the convenience of the County; to approve changes in the contracting entity; and to terminate one

or more of the contracts, if, in the opinion of the Director, it is in the best interest of the County to do so.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Public Works requires a variety of as-needed vehicle and equipment repair and towing services. Through this Master Agreement process, Public Works will be able to secure necessary repair services throughout the County for its vehicles and equipment housed at the Alhambra Headquarters and field facilities as well as towing services. These vehicles and equipment are maintained and repaired at six departmental repair shops located in Baldwin Park, Altadena, Westchester, Hollydale, Central Los Angeles (Lincoln Heights), and Palmdale. Since 1988, Public Works has contracted for these services to respond to periods of peak workload when vehicles and equipment are backlogged, waiting for service by the shops, and/or to meet critical repair time requirements. These services also cover vehicle and equipment repairs that are extraordinary and/or highly technical in nature and are beyond the expertise of Public Works personnel.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Organizational Effectiveness. These contracts will support internal operations through the utilization of these contractors' expertise to effectively provide these services in a timely and responsive manner.

FISCAL IMPACT/FINANCING

There is no impact on net County cost. These contracts are for an annual aggregate amount not to exceed \$1,500,000. This amount represents Public Works' estimated annual cost to perform these as-needed services. Should additional work be required that exceeds the amount authorized, approval of additional funds will be sought.

These contracts will commence on January 1, 2007, for a one-year period. With the Board's delegated authority, the Director may renew these contracts from year to year for a total contract period not to exceed three years.

Funds for the first year of these services are available in Public Works' 2006-07 Internal Service Fund. Funds to finance the contracts' renewal years will be made available through Public Works' annual budget process.

These contracts allow cost-of-living adjustments for the additional optional years in accordance with County policy established by the Chief Administrative Office.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Prior to the Director executing these contracts, which will be substantially similar to Enclosure A, each contractor will execute their individual contract and County Counsel will review them as to form.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code Chapter 2.201) does not apply to these recommended contracts that are for services required on an as-needed and intermittent basis.

ENVIRONMENTAL DOCUMENTATION

These recommended contracts do not constitute a project as defined by California Environmental Quality Act (CEQA) and, therefore, is not subject to the provisions of CEQA.

CONTRACTING PROCESS

On September 14, 2006, Public Works solicited proposals from 463 independent contractors and community business organizations to accomplish this work. Also, a notice of Request for Proposals (RFP) was placed on the County's bid website (Enclosure D) and an advertisement was placed in the *Los Angeles Times*. On November 2, 2006, in order to obtain additional proposals, Public Works reopened the solicitation process and placed notice of this on the County's bid website as well as mailed notification to 417 independent contractors and community business organizations.

Pursuant to the Memorandum of Understanding, the RFP of this contracted service was submitted on September 14, 2006, to the Local 660 union for review before being released to the public. The Union declined to meet with Public Works.

On October 16, 2006, 51 proposals were received, and on November 13, 2006, an additional 27 proposals were received. Upon evaluation, it was determined that all proposers, except for two who failed to provide their pricing, met the RFP's minimum requirements. In accordance with the award criteria outlined in the RFP, Public Works is recommending that all 76 parties listed on Enclosure B be offered the opportunity to enter into a contract with the County for their specialized services.

Enclosure E reflects the minority participation of the proposers. All contractors were selected upon final analysis and consideration without regard to race, creed, gender, or color.

These contracts contain terms and conditions supporting Board-sponsored policies, such as contractor responsibility and debarment (revised), jury service requirements, the Safely Surrendered Baby Law, and charitable activities compliance.

Proof of the required Garage Liability and Garagekeeper's Legal Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from each contractor before the contractor will be allowed to accept work from Public Works.

As requested by your Board, each contractor has submitted a safety record that reflects that its past activities have been conducted according to reasonable standards of safety.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that these contractors will not be requested to perform work which will exceed the Board's approved amount, scope of work, and/or terms for these services.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of these contracts will not result in the displacement of any County employees since Public Works has been contracting for these services with the private sector for the past 18 years. During this same period, we have furnished quarterly reports to each Supervisor providing the amount of activity with each contractor and the cumulative total. We propose to continue this reporting procedure.

SAMPLE AGREEMENT FOR
AS-NEEDED VEHICLE AND EQUIPMENT REPAIR AND
TOWING SERVICES PROGRAM

THIS AGREEMENT, made and entered into this ____ day of _____, 2006, by and between the COUNTY OF LOS ANGELES, a subdivision of the State of California, a body corporate and politic (hereinafter referred to as COUNTY), and [NAME OF CONTRACTOR], a [Form of Entity] (hereinafter referred to as CONTRACTOR).

WITNESSETH

FIRST: The CONTRACTOR, for the consideration hereinafter set forth and the acceptance by the Board of Supervisors of said COUNTY of the CONTRACTOR'S Proposal filed with the COUNTY on _____, 2006, hereby agrees to provide services as described in the attached specifications for As-Needed Vehicle and Equipment Repair and Towing Services Program, including, but not limited to, Exhibit A, Scope of Work.

SECOND: This AGREEMENT, together with Exhibit A, Scope of Work; Exhibit B, Service Contract General Requirements; Exhibit C, Internal Revenue Service Notice 1015; Exhibit D, Safely Surrendered Baby Law Posters; and the CONTRACTOR'S Proposal, all attached hereto; the Request for Proposals; and Addenda to the Request for Proposals, all of which are incorporated herein by reference, and are agreed by the COUNTY and the CONTRACTOR to constitute an integral part of the Contract documents.

THIRD: The COUNTY agrees, in consideration of satisfactory performance of the foregoing services in strict accordance with the Contract specifications to the satisfaction of the Director of Public Works, to pay the CONTRACTOR pursuant to the Schedule of Prices set forth in the Proposal and attached hereto as Form PW-2. In no event will the COUNTY pay any and all contractors providing service under this Program an aggregate annual amount to exceed \$1,500,000 (Maximum Contract Sum), or such greater amount as the Board may approve.

FOURTH: This Contract's initial term shall be for a period of one year commencing on January 1, 2007. At the discretion of the COUNTY, this Contract may be extended in increments of one year, not to exceed a total contract period of three years. The COUNTY, acting through the Director, may give a written notice of intent to extend this Contract at least 30 days prior to the end of each term.

FIFTH: The CONTRACTOR shall bill upon completion of the work order. Work performed shall be billed at the hourly rates and/or unit prices quoted in Form PW-2, Schedule of Prices. The CONTRACTOR shall present invoices for all work performed and approved by the Contract Manager, Shop Superintendent, or Transportation Unit supervisor at the time of pickup, delivery, or return. The CONTRACTOR'S invoice shall be legible and shall include: date of service; make and model of vehicle or equipment serviced or towed; COUNTY vehicle/equipment identification number; current

vehicle/equipment mileage and/or hour meter readings; description of type of service and/or repair performed; itemized cost for each type of service as well as itemized parts supplied minus the agreed discount; indicate any special circumstances when appropriate; name of Contract Manager, Shop Superintendent, or the Transportation Unit supervisor who ordered or authorized the service; signature of authorized Contract Manager, Shop Superintendent, or Transportation Unit supervisor; work order number; and this Contract number.

SIXTH: Public Works will make payment to the CONTRACTOR within 30 days of receipt of a properly completed invoice. Public Works reserves the right to return improperly submitted invoice(s) to the CONTRACTOR without action. Each invoice shall be in triplicate (original and two copies) and shall itemize the work completed. The invoices shall be submitted to:

County of Los Angeles Department of Public Works
Attention Fiscal Division, Accounts Payable
P.O. Box 7508
Alhambra, CA 91802-7508

The CONTRACTOR shall not hand over or deliver an invoice(s) to the Contract Manager, Shop Superintendent, Transportation Unit supervisor, any Public Works driver, or mail to a Public Works Fleet Maintenance Shop. The CONTRACTOR shall only submit their invoices to Fiscal Division as noted.

SEVENTH: In no event shall the aggregate total amount of compensation paid to any and all contractors under this Program exceed the amount of compensation authorized by the Board. Such aggregate total amount is the Maximum Contract Sum.

EIGHTH: The CONTRACTOR understands and agrees that only the designated Public Works Contract Manager, Shop Superintendents, and Transportation Unit supervisor are authorized to request or order work under this Contract. The CONTRACTOR acknowledges that the designated Contract Manager, Shop Superintendents, or Transportation Unit supervisor are not authorized to request or order any work that would result in the CONTRACTOR earning an aggregate compensation in excess of this Contract's Maximum Contract Sum.

NINTH: The CONTRACTOR shall not perform or accept work requests from the Contract Manager, Shop Superintendents, Transportation Unit supervisor, or any other person that will cause the Maximum Contract Sum of this Contract to be exceeded. The CONTRACTOR shall monitor the balance of this Contract's Maximum Contract Sum. When the total of the CONTRACTOR'S paid invoices, invoices pending payment, invoices yet to be submitted, and ordered services reaches 75 percent of the Maximum Contract Sum, the CONTRACTOR shall immediately notify the Contract Manager in writing. The CONTRACTOR shall send written notification to the Contract Manager when this Contract is within six months from expiration of the term as provided for hereinabove.

//
//

IN WITNESS WHEREOF, the COUNTY has, by order of its Board of Supervisors, caused these presents to be subscribed by the Director of Public Works, and the CONTRACTOR has subscribed its name by and through its duly authorized officers, as of the day, month, and year first written above.
